**DATE** 9/3/02

Please put a hold on the Thursday, October 31 for the Governor to attend the Lee County Democratic Fish Fry at the Furniture Market in Tupelo. I will confirm the date as soon as Lee County confirms it.

The event will start at 6:30 and go until approximately 8:30 or 9:00. This is a good hand-shaking event and the Governor will need to be there the entire time. I know that Marilyn schedules flights, but you'll need to leave flight time before this event.

Phillip is aware of this "hold" and said that the Governor will be doing this event.
