

April 4, 2000

Diana Dunn
P.O. Box 522
Maben, MS 39750

Dear Diana:

Congratulations on being selected as one of Mississippi's two delegates to the National Youth Science Camp (NYSC). Your application demonstrated your superior academic proficiency in the sciences, as well as your leadership abilities. This year's camp, to be held in Charleston, West Virginia, from June 29 to July 24, promises to be an enriching experience for you. You will have the opportunity to exchange ideas with leading scientists and other professionals from academic and corporate worlds.

Camp information packets and questionnaires are to be mailed from the NYSC office beginning April 11, so you should receive additional information in a few weeks. Please share this letter with your parents. They may contact Kelly Riley of my staff at 359-2528 if they have any questions regarding the camp prior to your receiving this information.

Congratulations again on this accomplishment!

Very truly yours,

RONNIE MUSGROVE
