SB 2095

SB 2095 codifies a new section to authorize and direct MDE to order textbooks for visually and hearing impaired students prior to the beginning of the state fiscal year.

Senators Hyde-Smith and Cuevas sponsored this bill because they both had young constituents who had trouble obtaining their text books for school this year. We assisted Senator Cuevas' student in obtaining his books, but it was October or November before he obtained all of them.

SB 2095 takes effect upon passage.

I recommend that you sign SB 2095.
