
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: BOYD
SUBJECT: CHIP OUTREACH PLAN AND ADVOCACY MTG. THURSDAY 4/6/00
DATE: 4/5/00
CC: FILE

Gloria Billingsley, DHS, wants to handout and discuss the agencies' outreach plan at a meeting to with advocacy groups. Donna and I suggest that the plan and all discussion of the plan be very limited. The purpose of the meeting should be to obtain input from the advocacy groups to incorporate into the plan. We are there to listen and take input from all advocacy groups. If a plan is presented it then becomes a target for criticism and attack.

I need your approval to discuss with Billingsley that you support a "listening opportunity" not a lengthy discussion or lecture of the agency outreach plan.

Please advise, ASAP.
