FROM: BOYD
SUBJECT: SENIOR SUMMIT
DATE: 9/18/2000
CC: FILE

At today's meeting, (3:15, Donna's Office) we need to discuss: 1) agenda, 2) location and date, 3) funding, and 4) responsibilities (advertising/notice, logistics, etc.). Attached please find a copy of a proposed agenda. This is only the starting point. (Also, a copy of Florida's 4-day conference agenda is attached).

The purpose of is summit is to examine the needs of seniors and highlight the directions for government administration. Harrison and Goldberg will be polling seniors regarding their views on the status of seniors in Mississippi. The preliminary results of the poll will be ready prior to the Summit and incorporated into the a session regarding prescription drugs.

Additionally, Public Works is developing a proposal for providing rating information on nursing homes and elderly care for potential presentation at the summit. The proposal includes web site development and rating for nursing homes based on HCFA data.

Also attached are copies of agency information re: Senior Programs as requested of the agencies last week. These may also serve as a starting point for identifying panelist and topics. Please review.
