I attended last week's meeting of the Governor's Commission on Physical Fitness and Sports. 10 commissioners attended the meeting. The following matters were discussed:

1. Dr. Joe Cole discussed his and Ron Cain's meeting with you. He asked me if there were anything in particular that you would like the Commission to work on and I responded that you had expressed an interest during their meeting with you in the Commission's report card on the physical fitness/health of Mississippians.
2. The Commission inquired as to the status its appointments. Kathy and I have been back in touch with Cathy Ward, Commission Secretary, and requested her to submit a list of potential appointees for the 13 positions, with the understanding that you have discretion in making the appointments.
3. We discussed the upcoming three health summits. The Commission is going to have its report card completed by the August 21 summit in Tupelo. I am passing this information onto Debbie.
4. The Commission will be involved with the Sr. Olympics here in Jackson (June 6-9) and with the State Games in Meridian (June 15-17 and June 21-24; See separate memo regarding State Games) and inquired as to assistance this office could provide in spotlighting these events. I am passing this info onto Lisa.
5. The Commission would like to start operating a web site and asked if it would be possible to host it off of our site or the state portal. I told them that I would have to inquire as to the regulations regarding this. I am checking with Howard.
6. The Commission invited you to attend its June 20 board meeting to discuss your goals for the Commission, what you would like to see them work with and any insights you have as to potential funding sources for the Commission. I have asked Shanta to hold Wednesday, June 20, from 10:00-10:30 until I receive a response from you as to if you wish to attend the Commission meeting. Do you?
