FILE

I have received the following 2 requests for copies of the report that the Charlotte Early Childhood Team prepared for you as to steps the state can take to improve the early childhood services' infrastructure.

1. Johnny Franklin of the Public Education Forum has requested a copy. He requested one of Dr. Cathy Grace and she requested that he obtain the report from this office since the team submitted the report to you.
2. Dr. Charles Deutsch of the National Committee on Partnerships for Children's Health (sponsored the Charlotte conference) has inquired as to if he may include the report in the update on follow-up activities pursuant to the conference. This update will be sent to each state's contact person for the conference.

Please advise as to if we may distribute the report to both or either of these parties.
Thanks!
