
**OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM**

TO: GOVERNOR
FROM: BOYD
SUBJECT: LOWER YAZOO BASIN PARTERSHIP
DATE: 1/15/2002
CC: RENICK, KINNEY

Referencing the 1/11/02 memo, attached is status report from the U.S. Fish and Wildlife Service on the Lower Yazoo Basin Partnership. U.S. Fish and Wildlife staff have recently met with Sen. Cochran and will be meeting with MDOT and DRA before the end of January.

I believe this project has good potential to build your image as an outdoorsman and a conservationist. In addition it has the opportunity for regional exposure.
