
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: SIMMONS, TELL
FROM: BOYD
SUBJECT: ENVIRONMENTAL JUSTICE CONFERENCE
DATE: 3/20/2001
CC: GOVERNOR

DEQ has been working with JSU and Charlotte Keyes to host an environmental justice conference this summer. Simply stated, environmental justice refers to the equity of landfills and other waste storage in minority communities. The timing of this conference may fall around the eminent domain proceedings related to Nissan.

Attached is a copy of DEQ's proposed schedule and stated purpose for the conference. Please review and let's discuss after the session is resolved.
