

Women's Leadership and Mentorship in Mississippi"

In this workshop we will discuss plans for a leadership/mentorship seminar that will be taught at the University of Mississippi. We will discuss with participants in the workshop what they think are the special skills women need to be leaders in Mississippi. Also, what are the obstacles to promoting women's leadership in the state?

Presenters: Dr. Deborah Barker, Director, Sarah Isom Center for Women

Dr. Jennifer Nelson, Assistant Director, Sarah Isom Center for Women

I have attached bios for each of us. I hope they are brief enough.
