## Biography

Stephanie Davis formed LET'S GET ORGANIZED!, in 2001 as a professional organizing service based in Jackson, Mississippi for both business and residential customers. LET'S GET ORGANIZED! provides ideas, structure, solutions, and systems, which increase productivity, reduce stress and lead to more control over time, space and activities. Davis, previously an advertising professional, holds a bachelor's degree in communications from Spring Hill College. She is a member of the National Association of Professional Organizers. Stephanie is married to Don Davis and they have two children, Madison and Wyatt.

## Workshop Topic

### Time Management Core to Daily Living

Explore the art of time management from a unique perspective by creating a personal time map. This session will define goal setting in terms of identifying those activities, which need a place on your personal schedule.
