Dear :

It is with great honor that Mississippi and I invite you on your first visit to as representatives of our brother country. We seek similar goals of sharing cultural, economic and educational opportunities with each other. Mississippi and I welcome you to our great state during your travels to America later this month.

Should your schedule accommodate, I would enjoy your company at dinner in our state mansion on the evening of April 25. God bless Turkey and Mississippi.

Very truly yours,

RONNIE MUSGROVE
