Governor Musgrove attached is the letter stating the results of the judging process. Share your comments on the final results.

The presentation of the awards will be held at the Clarion Hotel on Friday, April 19, 2002 during the luncheon.

Thank you for allowing me to lead this project. I really appreciate the responsibility to interact with the business and education community. The contact information has been stored digitally and will be vital to contact the participants for 2003 award ceremony. While learning during the challenges of this application process, I am prepared to continue implementing the Governor's Achievement award.
