
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: RILEY
SUBJECT: IDEA FOR NAEP MATH SCORES TO BE DISTRIBUTED AT SGA MEETING IN KENTUCKY
DATE 8/8/01
CC: FILE

During Saturday morning's NAGB business meeting, the board approved the Committee on Reporting and Dissemination's (John Stevens, Chair) recommendations, which included providing an advance copy of NAEP scores to governors. Discussion followed as to other potential audiences and someone mentioned distributing the state reports at the upcoming NCSL annual meeting.

Mark Musick approached me afterwards and suggested that you and he take the lead on having a copy of each state's report, as well as the highlights report, distributed to the southern governors at the upcoming SGA meeting in Lexington, KY, in September. He suggested that I throw this idea out to you and get your opinion.

Please advise as to if you want me to coordinate this with Mark.
