Roy Truby left me voicemail this afternoon that Secretary Paige has sent an appointment letter to Governor Dirk Kempthorne of Idaho to serve on the NAGB. Truby said that he has heard good things about Governor Kempthorne and that he knows everyone in Washington hated to see Kempthorne leave the Senate to run for Governor.

Governor Kempthorne's number is 208-334-2100 if you would like to call him and welcome him to NAGB. You might want to wait until Tuesday or Wednesday, as he may not have received his appointment letter yet.
