I've checked with Mary Williams at SGPB and they will send the annual meeting program to the printers next Monday, May 12. So, we need to identify as many sponsors as possible this week so that we can be sure each sponsor's name is included in the program.

I've checked with Stacey and she plans on you having the targeted list of potential sponsors tomorrow. Remember you asked her to prepare this targeted list so that we can obtain the additional \$115,000 that we need. (Mary Williams emailed me this morning that Coca Cola is sponsoring at the \$5,000 level, so now we only need \$115,000, rather than the \$120,000 we discussed at our meeting.)

Please let me know if you need anything else.
