Mark Musick phoned this afternoon to give us a heads-up on the following:

SREB was awarded a Wallace-Readers' Digest award to work for three years with five universities and three schools of leadership to enhance the preparation, training and development of leadership in school administrators.

SREB has selected JSU's School of Education as one of the five universities that it will work with over the next three years in *SREB's Leadership Development Program*. SREB will notify JSU of this award by phone tomorrow afternoon and will then send a letter of notification out on Wednesday. Mark said that SREB will issue a press release and he feels certain that JSU will as well, but he thought that you might want to call JSU and congratulate them. Dr. Evelyn White is the Dean of the School of Education and her number is 979-2351. Dr. Mason's number is 979-2323.
