RE: SAFE & DRUG FREE SCHOOLS AND COMMUNITIES PROJECT

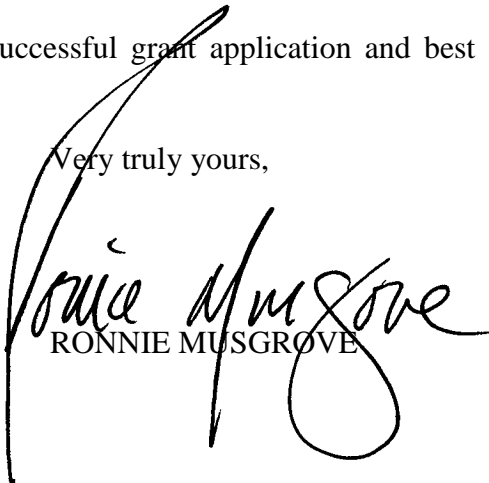

Dear «Title» «Last»:

Congratulations on the approval of your Safe and Drug Free Schools Project Grant Application. Whether you are utilizing these funds for a Law Enforcement Education Partnership or a Drug and Violence Prevention Program, you are making a positive impact on young lives throughout our state. We all know that schools are the safest places for our children and your efforts to further enhance the safety of our schools are to be applauded.

Please contact Chelley Barnes of the Department of Public Safety's Division of Public Safety Planning at 601-987-4990 if you have any questions concerning your project.

Congratulations again on your successful grant application and best wishes for your program's future endeavors!

Very truly yours,

RONNIE MUSGROVE
