Per your response to my earlier memo on this matter, I have attached a copy of this year's Safe and Drug-Free Schools and Communities Act applications and awards. As I conveyed earlier, I'll work with Jill and your schedule to identify opportunities in the future when you will be in these areas so that you can present the "big check" to some of the awardees. Of course, we'll run them past you for your approval.

Please let me know if you need any more information on this matter.
