
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: RILEY
SUBJECT: CALLING FRED SMITH AT FED EX ABOUT SHIPPING SOLAR CAR BACK
DATE 8/18/03
CC: FILE

I received your memo regarding the solar car situation back. As Marilyn is out today and we are limited on time for the solar car arrangements, I phoned Mr. Smith's office to see if he would be available to speak to you later this afternoon (while you are on road to Senatobia event).

Mr. Smith is out of the office today and tomorrow. I have left my direct number and the 969-2003 number with June, his assistant, in hopes of getting the 2 of you connected.

Mr. Lantrip in Houston called again today because he has to book airplane tickets for staff handling the car, but this travel is contingent upon when the car comes home. Staff will have to make arrangements for storing the car after the race if Fed Ex can't ship home. Mr. Lantrip also has to make arrangements with Customs in Australia.
