Dear Jade:

Congratulations on being selected as a member of the 2002 Class of Coca-Cola Scholars. You and your two other classmates, Paul and Star, at Hattiesburg High School are especially to be commended for being the first three students named as scholars from the same school in the same year in the history of Coca-Cola. This is an extreme honor for you, Hattiesburg High School and the State of Mississippi.

Your record of academic achievement speaks for itself. You have also recognized the importance of community service and of giving to others. I am sure that you have a bright future full of unlimited opportunities and experiences ahead of you. I wish you well as you begin your college career at the University of Virginia.

Congratulations again on your exceptional accomplishment!

Very truly yours,
