
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: TELL
FROM: RILEY
SUBJECT: EARLY CHILDHOOD ASSOCIATION: OFFICE OF CHILDREN AND YOUTH FUNDING
DATE: 4/22/2002
CC: FILE

Please see the attached memo that I sent to the Governor, along with his response for me to get your "OK" on this matter. Basically, the Early Childhood Association has requested OCY funding for childcare directors' memberships in the association, as well as continuing education classes at the association's annual meeting. Janice cited these memberships as one of OCY's model childcare programs for the handout that we distributed at our early childhood press conference in March.

Please advise as to what additional information you need from me, as well as to if you will speak to Janice regarding the availability of these funds, or if you want me to. Thanks!
