Per our discussion yesterday afternoon, I have drafted the attached letter of support for MSU's proposal for a National Science Foundation planning grant for a children's research center. I have to call MSU this morning and obtain the correct addressee and address for the letter.

MSU needs to receive a faxed copy of the letter today. If you need to take this with you on your drive to Ole Miss, you can call me at 359-2528 and let me know if the letter is okay or if I need to make any changes. I will then autopen your signature and fax the letter to MSU.

Thanks!
