Mississippi's School-to-Careers Partnership is participating in Groundhog Job Shadow Day on Friday, February 2. Groundhog Job Shadow Day will be conducted around the country. School-to-Careers is encouraging each workgroup member, such as myself, and our agency heads/executive directors to participate in this day by hosting a "shadow" from a local school.

The other organizations involved in the School-to-Careers Partnership are:

Department of Education
Institutions of Higher Learning
Mississippi Development Authority
State Board for Community and Junior Colleges
Mississippi PTA
Public Education Forum
State Workforce Council

Lt. Governor Tuck and Attorney General Moore participated in Groundhog Job Shadow last year and have indicated to the state School-to-Careers Office that they would like to participate again this year.

The School-to-Careers Partnership would appreciate your considering hosting a shadow on February 2. Please advise as to if you would like to participate in this initiative.
