3:30 P.M. Friday Update

Secretary of Education Richard Riley's advance person, Brendan O'Neal, called again just now. His information was not correct this morning. **The Governor is to give a greeting at the welcome center.** He said the flow of the 15 minute ceremony will be:

- Congressman Bennie Thompson introduces the Governor
- The Governor welcomes Secretary Riley to Mississippi
- Secretary Riley says hello and how great it is to be here
- Mayor of Greenville presents Secretary Riley with a key to the city

The Governor will also have an opportunity to give brief remarks (2-5 minutes) at the community general. O'Neal said that these remarks should focus more on education in our state and the Governor's initiatives.

O'Neal apologized for the confusion.
