Please see the attached letter from Tom Schnaubelt, Director of USM's Center for Community and Civic Engagement, inviting me to serve on the Mississippi Alliance for Community Service Learning. As described in Schnaubelt's letter, the Alliance will involve a variety of public and private agencies in an effort to facilitate communications between educators and education-related agencies. The Alliance will also provide programmatic and fiscal advice regarding the Lighthouse Partnership. The Partnership is funded from a grant awarded to the state from the Corporation for National Service.

The Alliance is scheduled to meet on a quarterly basis.

Please advise as to if you wish for me to accept Schnaubelt's invitation to serve on the Alliance.
