TO: Dora Drumgold, National Assessment Governing Board
FROM: Kelly Riley, Policy Liaison
DATE: February 16, 2001
SUBJECT: NAGB Forms

I have enclosed the completed requested forms. Governor Musgrove will not be receiving the honorarium, so he did not complete the Direct Deposit Sign-Up Form. I am submitting a copy of his passport as his form of identification and I have enclosed a copy of his Mississippi tax withholding certificate that we already had on file.

Please call me at 601-359-2528 if you have any questions or if you require additional information. Thank you.
