

MEMO
(Via Facsimile)

TO: Paul Miller, Director, National Youth Science Camp
FROM: Kelly Riley, Policy Liaison
DATE: April 24, 2001
SUBJECT: Delegates for National Youth Science Camp

I am enclosing Mississippi's Delegate Information Form and the cover sheets for each delegate. The Mississippi School for Mathematics and Science could only provide a delegate and could not provide two alternates. These are the only two applications that my office received.

Please do not hesitate to contact me (601-359-2528) if I may be of further assistance. Thank you.
