

Effective Ways to Develop Students Skills for the Workforce

Soft Skills

Not taught in School

Today's industry reg/ yesterday's didn't

Team activities Leadership, teamwork, problem solving, customer service

Being at work on time and staying on job

Get industry more involved with education via internships

Target academic teachers

Cost MEC, MDE, MMA

Reg for teacher certification or CE credits

Ziedman said IHL opposes

Would these additional rules make fewer teachers interested in teaching?

Dr. J supports teaching prep ought to be 5 years

Combined with classroom internship

Additional reg = additional expectations

Marty Perkins- ought to be after started teaching

Dr. J coursework- classroom internship under skilled teacher for semester- internship in workplace

Love to work with IHL

To consider \$ incentives

The respect of teacher
