Subject: Scholarship Opportunity: Intel Science Talent Search Awards

The Intel Science Talent Search Awards and Scholarship encourages talented high school seniors to pursue careers in science, math, engineering and medicine. The Science Talent Search is receiving applications for this year's scholarship awards. Any student who is currently enrolled in their last year of secondary school and has completed their college entrance qualifications is eligible to apply. Applicants must conduct a research project and submit a report detailing their work and their findings.

Scholarship awards range from a \$100,000 four-year first place scholarship to a \$20,000 four-year tenth place scholarship. Thirty finalists will receive a \$5,000 scholarship and a laptop computer. Three hundred semi-finalists and their schools will each receive awards of \$1,000.

Additional information and entry forms may be obtained via the web at www.sciserv.org/sts. Deadline for entry is November 28, 2001.

I hope that you will share this scholarship opportunity with your counselors and senior students. Please feel free to contact me at 601-359-2528 if you have any questions regarding this matter. Thank you for your assistance and for your service to education.
