DATE: 6/6/01
CC: RENICK

Pursuant to your response to my earlier memo on this matter, I contacted Danny Copper of the Capitol Group and told him that we are interested in accepted I Can Learn's offer to donate two classrooms to Mississippi. Mr. Cooper inquired as to if you or the First Lady would be interested in seeing a demonstration of the I Can Learn software and I explained that I would have to pose this question to you. Mr. Cooper called back yesterday afternoon with I Can Learn's offer to fly you down to New Orleans the week of June 18 for a demonstration in an actual classroom with a teacher who uses the curriculum and students. I Can Learn has offered to provide all transportation and cover all expenses for this day trip.

Do you want to see a demonstration of the I Can Learn curriculum or do you want to proceed with installing the 2 classrooms?
