We have received correspondence from Ken Smith, President of Jobs for America's Graduates, inviting you to serve on JAG's National Board of Directors.

Nine sitting Governors currently serve on the Board: Governors Almond, Cellucci, King, Patton, Ryan, Shaheen, Sundquist, Taft, and Vilsack. Dr. Richard Thompson also serves on the Board. The Board meets twice a year and usually in Washington.

Serving on the Board would place you in another national position. JAG also presents a great bridge or connector between education and workforce development.

Please advise as to if you would like to accept Mr. Smith's invitation and I will prepare the proper correspondence for your signature.
