Please review and either approve or mark any changes that you want made to the attached invitation. It invites the business community reps on the Higher Ed Leadership Summit Steering Committee to the luncheon at the mansion, which you have approved, to listen to any of their concerns. Rich Novak and his staff will be here to facilitate the luncheon.

Have you called Mr. Patterson (662-680-2422) to explain that your schedules both originally allowed the 24<sup>th</sup>, but that he now has a conflict?

Thanks!
