
OFFICE OF GOVERNOR RONNIE MUSGROVE
PERSONAL & CONFIDENTIAL MEMORANDUM

TO: LITTON
FROM: RILEY
SUBJECT: TALKING POINTS FOR 4/26 JMG FUNDRAISER AT BEAU RIVAGE
DATE: 4/25/01
CC: FILE

The 11:30 – 1:00 program is as follows:

Jeff Dahl welcomes everyone and meal is served

When dessert is served, Dr. Richard Thompson introduces the Governor

Governor speaks

Dr. Joe Haynes introduces Ken Smith, President of Jobs for America's Graduates

Ken Smith speaks

Jeff Dahl closes

The Governor is to discuss the importance of Jobs for Mississippi Graduates and the strengths of the program (see attached memo). The memo also has the most recent participation numbers, etc. for Jobs For Mississippi Graduates that I have. The Governor should stress partnerships with business – both in placing students in the business through internships and through financial support of the program. He should refer to the pledge letter in each guest's seat. The Governor chairs Jobs for Mississippi Graduates and he has just accepted an invitation to serve on the Board of Directors of Jobs for America's Graduates. (We need to update the web site to add Jobs for America's Graduates to the list of organizations he serves on. Also, Lisa might want to do a press release stating that that he has been asked to serve on the National Board.)

Let me know if you need anything else.
