
OFFICE OF GOVERNOR RONNIE MUSGROVE
PERSONAL & CONFIDENTIAL MEMORANDUM

TO: GOVERNOR
FROM: RILEY
SUBJECT: JOBS FOR MISSISSIPPI GRADUATES FUNDRAISER AT BEAU RIVAGE IN APRIL
DATE: 3/12/01
CC: COLE
DAVIS
FILE

I have given you an earlier memo with a request from Dr. Joe Haynes, Executive Director of Jobs for Mississippi Graduates (JMG), on behalf of JMG board member Jeff Dahl, requesting that you speak at 11:30 at a luncheon fundraiser for Jobs for Mississippi Graduates at the Beau Rivage on March 29. Dr. Cole and I had both explained to Dr. Haynes that you would probably not be able to speak on the Coast due to the closing days of the legislative session.

Dr. Haynes has now called back to let us know that Mr. Dahl has cancelled the March 29 luncheon and wants to reschedule for a day in April when you can attend. Mr. Dahl is Chief Operating Officer at Beau Rivage and wants to invite approximately 100 businessmen from the Coast to the luncheon to inform them of JMG and its operations and to solicit funding for JMG. He thinks it would be quite effective to have you as the keynote speaker, especially given your position of JMG Chairman.

Please advise as to if you wish to speak on the Coast at this function sometime in April. If you do, I will make the proper arrangements with Shanta.

Thanks!
