
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR, RENICK
FROM: BOYD
SUBJECT: AAB LEGISLATION
DATE: NOVEMBER 29, 2001
CC: FILE

DEQ has drafted the attached legislation to address EPA's concerns about the aerial application of pesticides. However, the bill does not address the composition of the board. Please review and advise.

Do you have any thoughts about the composition of the board? In my opinion, the board should not have a majority of agriculture pilots.
