INTEROFFICE MEMORANDUM

RE: MISSISSIPPI VETERANS' MEMORIAL

CC: GARY ANDERSON
DON MCCRACKIN
BILL CAMPBELL

The Governor's Office has received an email from Lanny Glover of Jackson, MS concerning the Mississippi Veterans' Memorial.

Mr. Glover has discovered the oath of office that is carved in the granite is incorrect. The word "true" has been left out of the oath.

The oath carved on the memorial states "...; that I will bear faith and allegiance to the same; ..." The oath in the US Code states "...; that I will bear true faith and allegiance to the same; ..."

Attached is a copy of the US Code: Title 5, Section 3331 which contains the oath of office and US Code: Title 10, Section 502 which contains the enlistment oath.
