RE: THANK YOU

DATE: APRIL 21, 2003

Thank you for hosting the luncheon today to show appreciation to the ladies across Mississippi that worked so hard on the 2003 Steering Committee for the Mississippi Women's Conference. We had 335 ladies to register for the conference this year. Your endorsement of the conference really helps to boost the attendance. In addition to Kathy Fortenberry and myself, unless you otherwise object, the ladies from this year's Steering Committee would like to serve on the committee again next year.

Again, thank you for the appreciation luncheon. It really meant a lot to the ladies on the committee.

Thanks.
