Musgrove, Lott to Unveil Major Project Friday at Stennis Space Center

Jackson, Miss.- U.S. Senator Trent Lott and Mississippi Governor Ronnie Musgrove will be joined by other state and local officials Friday, September 1, 2000 at 10:30 a.m. for a signing ceremony and media availability at NASA's Stennis Space Center. The undisclosed economic development project to be announced will result in the creation of 270 initial jobs by a private company at the Center, located in Bay St. Louis, Mississippi.

Senator Lott, Governor Musgrove, company officials and others will conduct the media availability immediately following the ceremony in the Visitors Center Auditorium (Building 1200) at Stennis Space Center.

Note: All media wishing to attend the ceremony and participate in the press availability in Building 1200 should RSVP by calling Lisa Mader at 601-359-3227 NO LATER THAN 12 p.m. CST Thursday, August 31, 2000.
