Governor Helps With Energy Crisis For Mississippians

Jackson, Miss. – Governor Ronnie Musgrove will assist the Mississippi Department of Human Services, energy providers, Community Action Agencies and Human Resources Agencies with making sure that low-income Mississippians have access to affordable energy.

Plans will be announced at a press conference Monday, January 8, 2001 at 3:00 p.m. at the Hinds County Human Resource Agency, which is located at 258 Maddox Road in Jackson. The assistance provided is available to low-income citizens, with a priority for the elderly, disabled and families with small children.
