Read the NEGP's February Monthly to find out what North Carolina, Florida, Pennsylvania and several local districts are doing to provide first-year teachers with an experienced and well-trained mentor teacher. Also find out how to get involved in the NEGP's National Teleconference on April 13, 2000 at 1 PM E.S.T. which will focus on using business principles, total quality management and the Baldrige criteria in education.

If you cannot view this attachment, you can find the monthly report on the web at the following address:
