Who Should Attend And Why?

Directors, managers from all departments interested in improving CRM, e-Commerce and Internet Community capabilities for your members, your staff, and online users.

We encourage you to pass this invitation to colleagues throughout your organization and across the industry who may also be interested in attending this free webinar.

The Grant-Ed Webinar Series

Grant Thornton invites you to join us for this series of webcasts designed to provide you with solutions to the issues your organization faces everyday. Each Webinar is a free, 60-minute online presentation (including an moderated Question & Answer session) that connects you directly to the Grant Thornton experts.

Now, more than ever, **every** organization needs to be committed to achieving the infrastructure scalability, efficiency, and functionality that will foster success.
