Roxanne Russel:

I have placed the response I received from the Mississippi Peer Committee=
e=20
#380. This response explains funding provided to WRANPS, INC.
If you would, please go my news web page and read what the Peer Committee=
e=20
explained to me.
I have written several times requesting information, but the DMR does no=
t=20
response to my request. My latest request, "The Department of Marine=20
Resources maintains contact information=A0regarding each entity requesting=20
funding on DMR Form TTF-1. You=A0must contact DMR directly to receive this=20
information."

I believe you know and I know WRANPS, INC. should not ever have received the=
=20
\$70,000.00 in grant money. The Question now is what will be done about the=20
mistake.
