

Chancery Clerk:

This is my third request for documents and what the cost is to obtain these documents.

According to the Mississippi Public Records Act of 1983 you are required to provide me with documents upon request, but first you are required to give me the cost of obtaining the requested documents.

I do not understand why you are not providing the service you are paid to perform. I have request copies of the same exact computer printout plus any other documents you provided the Sun Herald Newspaper. The article which you can read at:

Records which are a matter of public record can be obtained through the
Chancery Clerk's office. You need to fill out a Request for Public Records.

It does cost to reproduce these records, therefore, there is a charge you
will have to pay to obtain them.
