will always remember that.... "America-Loves-Kids"...
AMERICA...We are extremely proud to announce to everyone, everywhere, that=20
since our grassroots movement for "Children's Awareness" started in=20
Sept.1996, we have received & exhibited proclamations from 26 different stat=
governors & mayors throughout America. We are even more encouraged to=20
"Move-America Forward-For-Our-Kids" now that we have become officially=20
organized in the great state of California as a tax-exempt-non=20
profit-charitable-organization. We are hoping that this will open the doors=20
to more opportunity to bring even more awareness of Children & Families and=20
the need to increase communication skills between... Parents & their=20
children... Teachers & their students... Police officials & young=20
teenagers... Doctors for healthier kids... Seniors for wiser children... &=20
Community leaders to be instrumental in the molding of tomorrow's leaders.
NCACAmerica started when as a group of parents and grandparents who have los=
t = 20
children were very grieved over the tremendous amount of violence in the=20
90's... Then to see the tragedy of the Oklahoma City Bombing.. Then a mother=20
drowning her own two children... And then our friends in Montoursville, PA=20
who died aboard the TWA Flight 800 tragedy... This was followed by our=20
weeping over the murder of a child in her safe and secure wealthy home at=20
Christmas... And then hearing of even more kidnapping, rape, murder and=20
killing of our children in America. This all was more then we could deal wit=
h=20
and felt a need to help find a solution. We pulled our broken hearts togethe=
r = 20
and formed the National Children & Family Awareness Of America because we=20
came from various parts of the United States. Our original goal was to have=20=
"Special Day" once a year to "Remember Our Children" who have died from=20
violence or violent deaths. We have since grown to where more & more hearts=20
are opening up to our message and listening to the cry to stop the violence=20=
&=20
abuses in America. It has grown to where now we "Celebrate The Gift Of All=20
Children During The Entire Month Of Every June Yearly Dedicated To America's=
Future Leaders".."Children's Awareness Month".
_____
We are proud to serve our nation and hopefully help to re-establish the ties=
=20
that bind between children & their families. So, we want to thank you Americ=
a=20
```

```
AMERICA...The greatness of our nation is reflected in the boldness & courage=
=20
of our leaders who will take a stand for those who cannot speak for=20
themselves... We do honor those who would lead by their example..."Thank You=
America"...
