Message: Good Sir,

I urge you, as our governer, stand up for Mississippi. The arrogant, malcontent NAACP is dictating what politicians do or say, claiming that they are vicitmized. Sir, please do not take away the very foundation of our state by altering our state flag. Please be the one that says they will not allow the NAACP to control our state by placing the blame of a 10,000 year old institution under the symbol of freedom, the St. Andrew's Cross, our forefathers lived and died under. Allow us, as Mississippian's, to take pride in what we are. Let's work together to push education, not to give into the NAACP and rip out the pages of history. Your web site says, and I quote, "I believe in Mississippi – I always have."

Sir, now is your chance to prove it. Stop the ethnic cleansing. Set a standard. Do not change our flag. Let it be known that we are proud of who we are, be it, Black, White, Red, Brown, it doesn't matter, but together, as Mississippian's. Diversity is a what makes this country work, and I beg you, do not let the NAACP take away every individual group's identity but their's. Believe in Mississippi, and we will believe in you. Thank you for your time.
Sincerely,

Daniel Bomar
