Issue: Community "SAFE ZONE"

Message: Sir, although I have already written a previous letter, the urgency of what
I'm trying to accomplish needs repeating just so it's not put on a back burner and fo
rgotten about.
This community, Crystal Springs, has a serious drug epidemic going on that will only
get worse, and distroy more lives if something isn't done soon. Some type of alternat
ive needs to be presented to the youth in the area that would provide them with recre
ational needs along with drug prevention education.
As stated in my previous letter to you, I'm proposing a "COMMUNITY SAFE ZONE" for kid
s that would allow them recreational tools, i.e pool tables, arcades, etc. along with
drug prevention education. The "SAFE ZONE" would have a -zero tolerance for drugs an
d/or alcohol. The facility could double as a meeting place for A.A., N.A. and other g
roups atoning to positive lifesyles.
Some sort of government grant should be available for this type of project. . .there'
s a need, that can be filled. Any assistance would be greatly appreciated.

Sincerely,

MELVIN A. MCCABE
