Issue: Region VIII Housing Authority

Street_Address: 1720 Mary Ann Drive

City: Gautier

State: MS

Zip_Code: 39553

Message: Articles in The Sun Herald point to a very disturbing policy of the Mississippi Region VIII Housing Authority.

The policy prohibits plants, bushes, and trees in the ground on public housing property! Unbelievable that the head of this authority could be so misinformed about people and motivation and incentive; especially when it deals with public property.

It is a natural human instinct to beautify one's surroundings. And one neighbor doing it leads to others. It improves morale. It improves welfare. It provides an incentive to those in the environment. It shows what can be done with a small amount of money and a little caring. Now along comes an agency head who for some inexplicable reason is taking away this incentive.

He needs to be replaced immediately with someone who has some rudimentary concept of how best to manage people and public housing.

We would appreciate anything you could do to remedy this ludicrous situation.

Sincerely

Mr & Mrs Charles J. Gallagher, Jr.
