Extract from E-Mail from Jack Clayton:

~ GORE LAUNCHES COUP D=92ETAT OVER FLORIDA RECOUNT ~  
~ Help Pressure Gore to Do the Honorable Thing: Accept Defeat ~

Vice President Gore is a vote stealing crook who will recount until he  
"wins". Speaking to conservatives in Washington at the Conservative  
Leadership Conference CIC's Jack Clayton said "Al Gore is thwarting the  
will of the people of Florida and is stealing this election."  
\*\*\*\*\*=

The machine counts are good enough for the rest of the Country, why are  
they not good enough for the Democrats in Florida. This Circus has gone  
on long enough and we have been the laughing stock of the world for way t=  
o  
long. Lets get on with removing the blemish that the Clinton Regime has  
placed on these Great United States of America. Letting Gore into the  
Presidency will just continue the decline of the great democracy of the  
United States of America. We need a leader in office that will bring the  
respect of the world back and make us a world leading country again.
