BARBARISM AND LAWLESS-AN INFORMED PUBLIC REPORT OF BREAK & ENTER, THEFT, AND FALSIFICATION
CONSPIRED BY VANCOUVER POLICE

STORY:

In 30 September, 96, at 6:30 p.m., The victim confirmed with a police woman badge # 1930 in 911 that the vancouver police had placed several audio and video bugs inside both his apartment. She claimed that Glynis Brown, who was a tutor at the University of Wales Institute, Cardiff, England solicited them to do so (Glynis Brown defrauded the victim several thousand pounds with fraudulent documents). She refused to remove them and asked him to remove them. The vancouver police were very familiar with the enviroment inside the apartment. In other words, the police knew exactly when the residents inside left the apartment. On 3 June, 94. the victim went out from his apartment. When he gone back at 2:37p.m. he discovered that both his apartment and his bedroom was broken and entered. He discovered that his newly bought hi-fi components (bought at A & B Sound) and forty CDs (costed CAD\$2,000) were stolen. When he reported the crimes to the same police woman who admitted the fa!
ct of surveillance, she behaved very arrogant and very proud of her criminal acts. She purposely hanged up the phone several times in order to aggravate him.

In July, 96, he called the vancouver police in 320 Main Street, Vancouver, a male police who had sneaky remarks (about twenty something years old, caucasian) lied that Ray Canuel was in Altanta, Georgia so that he could not handle the complaint. Afterwards, he sent a letter to former Chief Constable Ray Canuel (deceased of cancer) in the same month without hearing any response. He then presented the complaint in person directly to the assistant to Ray Canuel. The assistant deceived him that the vancouver police will respond to his complaint three weeks later and it did not happen. The complaint aroused the police's revenge. Two polices without search and arrest warrant trepassed his apartment in Feb., 97 . One caucasian police opened his complaint letter which was originally sealed without his consent and he was falsely arrested by the two polices. One of the police were a Chinese who were about 5"6, 160 lbs., black and short hair. Another police were a caucasian who were about 6"2, grey and long haie whir covered his trim, grey-blue eyes, about 220 lbs.. Both polices were thirty something years old. The latter one misrepresented and called himself as former Chief Constable Ray Canuel (deceased). The two polices committed trepass and false arrest. He filed the same complaint in year 1999and rec! eived a fabricated letter from Vancouver Police Department dated 20 May, 99.... He booked an appointment with a security company to do a further sweep on his apartment. Unfortunately, the Vancouver police colluded with the company not to show up the appointment on 26 July, 99. The same circumstances happened the same for Brian Brown & Associates INC, owner: Brian; operator: Laurie. Ph. (604) 2912121 and Interglobe Investigation Services Inc, owner: Brian. Ph. (604) 2912121. On 6 Aug., 99, the vancouver police called the property manager of Crosby Management to me when I walked to the garden. The property manager purpously aggravated him and tried to fight with him. The property manager asked him to complain to the management (instaed of the police complaint authorities) so that they can cover up the conspiracies....
